

"Extra, extra read all about!"- It may sound a little cliché, however, in this particular newsletter you're going to want to read all about it. The Waterbury Husky Review is something new being started right here on the Waterbury campus. It's not quite a newspaper, however, it can relate to one and it will be packed with the latest events and other activities happening around the campus. So be sure to familiarize yourself with the latest information happening here in Waterbury... you don't want to miss out! Read on to learn more of what is happening in our campus and the Waterbury area...

Fellow UConn Waterbury Students:

My name is Michael Solla and I am your Student Government President for the 2009-2010 school year. My goal for this year is to make sure that all of you receive fair representation. If there is anything on your minds about the campus please contact me or talk to me if you see me around campus. I am here for you and hope to make this one of the best years to be a student on the Waterbury campus of UCONN. If you would like to get involved with the activities that take place on campus, please e-mail me and let me know. I hope to build friendships with all of you over the year and bring a sense of community to our campus that exceeds that of any other campus. With all your help and enthusiasm I

hope to make this a great year at the UCONN Waterbury campus!

Hungry, but Don't want to Loose your Parking Spot?

No need to Worry! There are many ways to get around these obstacles and without footing a large bill. If Italian is what you fancy and a slice or two of pizza sounds about right then walk across the street to Domenic and Pia's Pizzeria; their slices are well proportioned and reasonably priced at \$1.25 per slice. If you're feeling a more foreign flavor then go to Downtown Golden Wok.. after all it is right down town and they also have good sized proportioned meals at an affordable price. If you're craving a "5 dollar foot long" then walk right over to Subway and "Eat Fresh" for only five bucks! If you missed breakfast or just need a little

pick-me-up go to Dunkin' Donuts or Bagel Exchange and start your day out right; after all, "America runs on Dunkin'". Remember good food at a good price is right around the corner... you just have to know where to look. So when you get the chance be a little adventurous and explore downtown Waterbury you would be surprise at what little surprises you can find. And if you don't know where to start don't be afraid to ask the front desk for directions- Good Luck and Happy Trails.

The Gala is on The Way...

Most seniors of high school look forward to one night in particular and that is Prom night... the big night where you can dance the night away, make memories, and end senior year with a bang! Although once the charade is over there is an almost empty feeling like that's it the fun is over and now its time to get serious for college. However, what if there is one more chance to get animated

over getting dressed up and dancing all night long? Well be on the look out for "The Gala" more info will be coming soon...
